

I. ACHILLES, AGONY AND ECSCASY IN EIGHT PARTS

Prelude

I. Hector Storms The Wall

See my chariot run to your ships
I'll drive you back to the sea
You came here for gold
The wall will not hold
This day was promised to me
The gods are my shield
My fate has been sealed
Lightning and javelins fly
Soon many will fall
We are storming the wall
Stones fall snow from the sky
We will pay with our glory
In the fire of battle
Zeus today is mine
Killing all in my way
Like sheep and like cattle
Smashing skulls of all who defy
I spare not the hammer
I spare not the sword
This day will ring with my name
None have to chase me
Let the who will face me
Kill me or die by the sword

II. The Death Of Patroclus

Oh friend of mine, how to say goodbye
This was your time, but the armor you
Wore was mine, I will not rest until
Hector's blood is spilled
His bones will all be broken
Dragged across the field
This dear friend is how we'll say
Goodbye, until we meet in the sky

III. Funeral March

IV. Armor Of The Gods

V. Hector's Final Hour

Hene insbe the walls of Troy, the Gods weigh my
Fate from this day do I abstain, to a memory of
Hate to pay for all the blood that spilled
The many thousands I did kill, no walls can
Contain the Gods' almighty will
I hear the silent voices I cannot hibe
The Gods leave no choices so we all must die
Oh Achilles let thy arrows fly
Oh Achilles let thy arrows fly
Into the wind, where eagles cross the sky
Cobay my mortal blood will mix with sand it was
Foretold I will die by thy hand
Into Hades my soul descends

VI. Death Hector's Reward

Cowards in the grip of fear, no valor to uphold
Cut into the earth, with honor long been sold
For all shall come to know me
As they fall unto their knees
Zeus the Thunderer, control my destiny
When the cards of life were dealt,
My hand a ruthless rate
To avenge and bringeth fury Hector feel my hate
A bloodbath I was born to bring, by birth I'm
an assassin
To cut the cord of life and death,
Ties to earth unfasten

Blood and fire death and hate, your body I
will desecrate
Dogs and vultures eat your flesh the hall of
Hades waits
Kill....

Hector's blood lies on the battlefield
His body's mangled wounds,
The Gods who once protected him are now his
Gods of doom.

Like a tower standing tall, seaabraz in direction
I fall upon you bringing death, the Gods give
no protection
Coward in the grip of fear, no valor to uphold
Cut into the earth, with honor long been sold
For all shall come to know me, as they fall
unto their
Kneels Zeus the Thunderer, control my destiny

Blood and fire death and hate, your body I
will desecrate
Dogs and vultures eat your flesh the hall of
Hades waits
Die die die die....

VII. The Desecration Of

Hector's Body

Part I

Part 2

VIII. The Glory Of Achilles

The oath of the Gods, this day was fulfilled
In the heat of the battle, Hector was killed
See him Patroclus, down in the dust
Rejoice in his death my symbol of trust

A dozen highborn youths, have been killed
Cutting their throats their blood was all spilled
Their bodies set at the foot of your fire
With oxen, sheep and two of your hounds

Your funeral Pyre high off the ground
Hector's body bragged three times around
I will carry the torch to your funeral Pyre
I will ask of the wind to send high your fire
Hector's blood will not be washed from my body
Until your body is burned
A prophecy spoken a promise fulfilled
More blood will be spilled, more will be killed.

2. METAL WARRIORS (BROTHERS OF METAL PART ONE)

Every one of us has heard the call brothers of
true metal proud and standing tall we know
the power within us has brought us to this hall
There's magic in the metal there's magic in us all.

Heavy metal or no metal at all whimps and pose
Leave the hall, heavy metal or no metal at all
Whimps and posets go on get out leave the hall

Now the world must listen to our decree we
Don't turn down for anyone we do just what
please, got to make it louder, all men play on
ten, if you're not into metal, you are not my friend

Heavy metal or no metal at all whimps and pose
Leave the hall, heavy metal or no metal at all
Whimps and posets I said leave the hall

Now the world must listen to our decree we
Don't turn down for anyone we do just what
please, got to make it louder, all men play on
ten, if you're not into metal, you are not my friend

There's metal in the air, tonight can you hear it
Call? If you ain't got the balls, to take it you can
Leave the hall

Heavy metal or no metal at all whimps and pose
Leave the hall, heavy metal or no metal at all
Whimps and posets, leave the hall

3. RIDE THE DRAGON *

Demon's blood and dragon fire, falling on
my wings
Racing to the battle in the sky ancient Gods are
Calling me I hear them when they sing, or all the
Heroes who wait for me to die.

Beneath a cloak of magic, I'll meet them in the air
I am

Invisible, I move without a sound they look
but cannot
find me, they think that I'm not there with a spell
Send them crashing to the ground.

Wait for me dragon, we'll meet in the sky,
By fire and magic I am sworn, Hell is calling! We
Cannot be denied fly to the blackness
Of the storm, we must die to be reborn

I wear a sacred talisman, I make a secret sign
Now welcome me into this wicked wind, on
The journey of a shaman a dragon I must
Ride, the Gates of Hell are open! Let me in!!!

Rule in Hell or serve in Heaven,
Choose an altar or a throne, all
Commandments and the laws of
Man disown, Now eat the fruit of
knowledge, unto no one ye alone,
Into the fire, with your soul!

Wait for me dragon, we'll meet in the sky by
fire and
Magic I am sworn, Hell is calling! We cannot
be denied

Fly into the blackness of
The storm, we must die to be reborn!!!

Demon's blood and dragon fire, falling on
my wings

Racing to the battle in the sky ancient Gods are
Calling me I hear them when they sing, or all the
Heroes who wait for me to die.

Beneath a cloak of magic, I'll meet them in the air
I am

Invisible, I move without a sound they look
but cannot
find me, they think that I'm not there with a spell
Send them crashing to the ground.

Wait for me dragon, we'll meet in the sky,
By fire and magic I am sworn, Hell is calling! We
Cannot be denied fly to the blackness
Of the storm, we must die to be reborn

4. SPIRIT HORSE OF THE CHEROKEE

The trail of tears began for all the Cherokee
The white men came to trade & borrow,
But then they would not leave
Some of us were taken by boat, and died at sea
Those of us who lived were sold to slavery,

We welcomed them as brothers, knowing
nothing of
their grief, born hunters not the hunted
As the white man hunts for me
We are descendants of the animals
We live among the fire
